13:00 closure

The Conference is to follow up and to debate key issues related to **posting of workers** within EU, by specifically focusing on the emerging challenges for the enforcement of posting legislation in the light of the **Directive 2014/67/UE**.

Keywords of the event are: *practices for enforcement, social dialogue, administrative cooperation*.

The initiative is promoted by the “**ENFOSTER project**” (an action co-funded by the “Progress” Programme, budget heading 04.04.01.03, Line of action “Posting of workers: enhancing administrative cooperation and access to information”).

ENFOSTER is aimed at **supporting cooperation among stakeholders’ (social partners and control authorities)** for the enforcement of the Directive 96/71/EC and of the Directive 2014/67/EC, by fostering a shared knowledge and the exchange practices for a fair and responsible posting of workers within EU.

ENFOSTER specifically focus on posting of workers in the **building sector** and in the **road transport sector**.

The **ENFOSTER partnership**, coordinated by Istituto Guglielmo Tagliacarne (a Foundation of the Italian Union of the Chambers of Commerce) includes: Arbeit und Leben e.V. (Germany), CISL - Confederazione Italiana Sindacati Lavoratori (Italy), CSC Transcom (Belgium), EFBWW - European Federation of Building and Woodworkers (EU), Iscos CISL (Italy), Ministry of Labour and Social Policies (Italy), Labour Inspection (Romania).

The Conference is addressed to institutions, social partners, researchers, experts the field of labour law, labour and social policies.

The participation is free of charge. Interpretation service in English, Romanian and Italian.

For more information: Mrs Debora Giannini at Istituto Guglielmo Tagliacarne (d.giannini@tagliacarne.it).

**With the support of European Union
European Commission - DG Employment, Social Affairs and Inclusion.**
